

## Sprint 5 review:

**Group 4: Kapiainen Casper, Phong Le, Vuorela Tino**

### Done:

Casper:

- Frontpage for the app listing all created boards:
  - Create, join and leave boards
  - List joined boards
- Chinese localization
- I18n integration

Phong:

- Externalize all hardcoded UI text to JSON resource files
- Identify and list all text strings requiring translation
- Add Russian localization
- Add English localization

Tino:

- Added Japanese localization
- Implemented language selection component
- User account settings modal

### In progress:

Team member	Assigned tasks	Time Spent
Casper Kapiainen	Frontpage for the app listing all created boards:	5
	Create, join and leave boards	
	List joined boards	
	Chinese localization	
	I18n integration
